Circle Membership is a three-year commitment to provide stable funding for the vital work of our journalists.

VTDigger is the only statewide digital newsroom in Vermont, providing rigorous daily reporting on stories that matter to Vermonters. We are here not only to report the news, but to hold public officials accountable; to tell the stories of people who are not always seen; to explain and investigate the trends affecting our state; and to help Vermonters engage in the democratic process.

The events of the last few years have only heightened demand for reliable, nonpartisan news in pursuit of truth.
